This Graduation Plan is intended to give you and your parent(s) a guide to use as you progress through high school. You will want to review the plan each year to make sure you are taking the required courses for graduation. You counselor will have a sample CAREER Plans of Study for each of the Endorsements that are available at Ore City High School. You may use these as guides to help you select courses that will help you support your career goals. Make sure that you are taking the academic courses that support your post-secondary plans.
